Ms. Ladas is affiliated with Peak Brokerage Services as a Registered Person. Peak is registered as a full-service general securities broker/dealer and a member of the Financial Industry Regulatory Authority, Inc. (FINRA). Registered Persons affiliated with Peak recommend certain securities for which they receive a commission, markup, or markdown. When acting in the capacity of a registered person, commissions, markup, or markdowns for effecting securities transactions are separate and apart from the fees charged by Blackridge's IARs for advisory services.

Peak Reps LLC is the parent company of Blackridge Asset Management LLC (BAM). Some IARs may have ownership of Peak Reps LLC through either granted profits interests (Class C units) or through purchase of other classes of units. Fees and commissions paid by clients may be accretive to the value of the parent company and may benefit those IARs who are stockholders.

These additional sources of compensation may create a conflict of interest as previously described in our Firm's ADV Part 2A Brochure.

Item 5 - Additional Compensation

We must inform you of additional compensation that our supervised persons may receive for providing advisory services, such as sales awards or other prizes. As part of our marketing effort, we regularly provide additional training and education to our selected solicitors in due diligence, compliance and the technical aspects of our products and services which are valuable to their business. This training, including the travel, lodging and food expenses connected with such training, is provided by us at no cost to the participating solicitors. Also, as part of our marketing effort, we may also pay to attend conferences and/or symposiums sponsored by broker/dealer firms who refer us business. The cost of the training, education, conferences and/or symposium sponsorships is paid out of our portion of the advisory fees and is not an additional expense to clients or any other investor. We do not believe that such arrangements influence the individual solicitors of the broker/dealer firms to refer business to us or to other advisors with whom the broker/dealer may have similar agreements.

Item 6 – Supervision

The supervision of our IARs will be handled by the Home Office Supervisors as designated by the CCO. The supervisor assigned to supervise Ms. Ladas is Matt Myers, CCO.

The home office supervisor designated by Blackridge will be responsible for the day-to-day management and supervision of the activities of the IARs under their direct supervision. The Principals supervise the IARs that are assigned to them by reviewing certain new account documentation for suitability and use systems to ensure that the transactions are appropriate.

In some cases, Office of Supervisory Jurisdiction Managers (“OSJ Managers”) and Home Office Principals (“HOPs”) collectively, “Principals”, may be designated as the immediate supervisors of dual registered IARs. Blackridge also utilizes an outside compliance consulting firm, Compass Compliance Consulting LLC, to conduct periodic reviews of the Firm’s compliance program. For questions regarding the supervision of Ms. Ladas, please contact Matt Myers at 561-641-5050.
